### Anticipation Guide for The Pearl – Chapter One

**Instructions:** Read each statement. In the “before reading” column, write “A” if you agree with the statement and “D” if you disagree. **After you read**, revisit the statements. First, reevaluate your own answer. Second, choose a character in the story and answer based on how you think the character would answer.

Before Reading	No.	Statement	After Reading— you	After Reading— character:
_____	1.	It would be wonderful to live on a beach where the temperature is almost always 70-75 degrees and it’s sunny more than 300 days a year.	_____	_____
_____	2.	Medical doctors usually help patients no matter the patients’ ethnicity.	_____	_____
_____	3.	Poor people can have good financial sense.	_____	_____
_____	4.	Stories about bias, stereotypes, and prejudice are outdated; today people know how to respect each other regardless of background.	_____	_____
_____	5.	A woman should always obey her husband.	_____	_____

**Short Answer:** Answer both questions in complete sentences:

1. Describe the feelings a mother might have when a child was seriously injured before 9-1-1 was invented.

Before Reading	After Reading

2. A doctor has a moral obligation to treat an injured person whether or not the injured person can afford to pay for the treatment: agree or disagree? Why?
